

# WORLD HEALTH ORGANIZATION

## INTRODUCTION

The committee started with a lobby time, giving the delegations the space to discuss about possible solutions regarding the humanitarian crisis presented on the Gaza Strip (Topic A). The delegations split into two bands, the ones in favor of Israel and the ones in favor of Palestine.

## DEVELOPMENT OF THE MODEL

The committee began with a Lobby time of 20 minutes where the delegations had the time to meet up and express their common thoughts and several solutions to the conflict presented on the topic A. The delegations split up into two groups; The delegations in favor of Palestine, that ensures their commitment and participation are the delegations of Palestine, United Arabs Emirates, Federative republic of Nigeria, Egypt, the Republic of Colombia, Russian federation, Cambodia, French Republic, Italian Republic, Peoples Republic of China, Republic on South Sudan, Republic of Brazil, the Islamic republic of Pakistan, Egypt and the Peoples Republic of Yemen. In general, the delegations proposed to ensure that every individual suffering from the armed conflicts has access to humanitarian aid, medical attention, and the help for those citizens in desperate need of shelter, citizens found in a situation of extreme poverty as consequences for the war. Additionally, the delegations proposes to provide psychological and psychiatric help to all those who suffered traumas from the war. In the other hand, the group in favor of Israel involves the delegations such as Israel, Spain, India, Germany, U.S.A, Argentina, Uruguay and the United Kingdom. The delegates proposed to take health resources to the delegation of Israel by the frontier of Egypt – The Rafah frontier. Also, the delegations offer a pacific dialogue between the delegations of Palestine and Israel in order to achieve the path for medical supplies with destiny towards the people living on the Gaza strip, leaving aside the violence and the involvement of armed groups on the current situation to prevent further losses of lives between these two territories. We hope to find the peace agreements between the two delegations so that consequently the human dignity of those people living through the terrible war between these two countries is finally respected.

## CIERRE

Until now, the delegations exposed their working paper and within their proposals with the finality to end or improve the conflict presented on the Gaza strip. The working paper 1.1.1 presented by the band in favor of Israel was unfortunately rejected. In the other hand, the working paper 1.1.2 passed with 12 votes in favor and 9 against.
